Five bad boys with the sound to rock you
Blowing your mind so you gotta get into
Five - What you waiting
Four if you wanna
Three - three
Two - two
One - let's do it!

Everybody get up singing
1, 2, 3, 4, Five will make you get down now
Everybody get up singing
1, 2, 3, 4, Five will make you get down now

You gots to keep it real
You gots to keep it raw
I'm lyrically blessed
So don't try to ignore
Time for some action
Creeping up your back and
Keep the beat nasty
Like Janet my reaction
Hard I'm addictive
Better lock your kids in
Coming to you area
Ya don't know what you're missing
Go tell your family
Here comes the enemy
Blowing up the spot tech remedy

Everybody get up singing
1, 2, 3, 4, Five will make you get down now
Everybody get up singing
1, 2, 3, 4, Five will make you get down now

Keep it moving on (x7)

Do you wanna get freaky
When the five of us make one
You gotta push the good vibe on
If you really wanna feel it
Got da flava in my song

But I really need to know

Do you wanna get down
Do you wanna get funky
Do you wanna get down
Get on down

Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up (put it up)

Clap your hands
Stamp your feet
Push it in, pull it out to the beat
Clap your hands
Stamp your feet
Push it in, pull it out to the beat
Clap your hands
Stamp your feet
Push it in, pull it out to the beat

I ain't sorry for the way I feel
I know you think I'm being insincere
From the way I'm treating you
I never wanted to be so unkind
The only one thing on my mind
Is just kicking it with you girl

Baby it's not the way I feel, you know you must believe
me
Baby it's not part of the deal (oh no no)

Baby when the lights go out
Every single word can not express, the love and
tenderness
I'll show you what it's all about
Babe I swear you will succumb to me, so baby come to
me
When the lights go out

Oh oh oh oh oh oh oh
Na na na na na na
Na na na na na nah... (x4)

Ah, move it at the back to the track
We got it going on we're the leaders of the pack
Now if you feel right, hold it tight

see, we wanna carry on cos we gonna take it through
until the dawn
Now everybody's moving, everybody's grooving
getting down with 5 when we come your way
So raise up your arms if we drop it on the 1
You see we're gonna carry on because the fun has just
begun
Check us out now!

Yo! 7,6,5,4,3,2,1
I'm on the microphone, got you hot like the sun
So a 1,2,3 now I'm waiting on the 4
Kick down the door and turn it up a little more

If you got the feelin', jump to the ceiling
Ah we're getting down tonight
1 if you wanna, 2 if you're gonna, 3 cos everything's
alright
If you got the feelin', less of the dreaming
Ah, we're getting down tonight
It's just round the corner, tell me if you wanna
Five will make you feel alright

Five bad boys with the sound to rock you
Five bad boys with the sound to rock you
Five bad boys with the sound to rock you!
