I wanna sex you up  
let me freak you out. ahah ahah  
I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah

Girl, you are my destiny  
Baby, I like the way you walk, the way you talk  
You, you are the mystery  
Come on baby let me inside

I wanna sex you up, that's right  
Come on now lets get it on tonight  
Said I wanna sex up uh come on now lets get it on

I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah  
I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah

I want to sex you up and down  
Freak it to the sound and toss it around  
Come on now and feel the rythm as I hit 'em  
Your boobs that is, as I slide up in them  
Well lets flip it side to side  
We'll take it slow then fast for a funky ride,  
untill we make it last the whole night long  
'cause I want to sex you up and get it on  
uh

I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah  
I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah

I wanna sex you up, that's right  
Come on now lets get it on tonight

Said I wanna sex up uh come on now lets get it on

All I want to do is hold you tonight  
and maybe its time for you and me,  
can't you see you, you know I treat you right  
oh yeah, come on baby let me inside

Hey I, Hey I, I wanna rock wit' chu  
Hey I, Hey I, Do you feel it too?  
Hey I, Hey I, I wanna rock wit' chu  
Hey I, Hey I, Do you feel it too?

I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah  
I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah

I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah  
I wanna sex you up  
I know the way you like it  
let me freak you out ahah ahah
