Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over
Believe, it's all over
That baby , it's all over now
It's all over, this time

Thought I was made for you
And you believed in me
I thought this was
How love was meant to be
Didn't know it
But you were foolin' me around, oh

You had a hold on me
I was to blind to see
Could have been yours for eternity
Didn't see it
'til it was all up in my face
No no

Do you recall?
The times that we shared
Moment alone and your promises
But now the days are gone
Now you're on your own
Tonight, never again 'cos

Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over
Believe, it's all over
Baby it's all over now
It's all over, this time

Now I know the truth
It really hurts inside
'Cos every lie just twists the knife
The way I'm feelin'
There's just no remedy, no

Do you regret?
Things that you said
Every word broken promises
But now the days are gone
Now you're on your own
Tonight, never again 'cos

Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over
Believe, it's all over
Baby it's all over now
It's all over, this time

Hiit me with the truth
Hit me with the raw fact
Put me on my back
What you gotta say to that
You got me with your lies
I was thinking we were set
Counting every second
Every day since we met
Remember in the times
When we used to have it all
But then came the fall
Feeling like we hit a brick wall
You can keep it the lies in my ears
You gonna shed tears
As your man disappears yea
Sit back and let me do my thing
Laced with the click with the five on the swing
I'm not the one who's gonna be plagued by your kind
Twenty four seven girl it's time to rewind
It's over just like a wack track
You can't get with this so you gotta get with that
No doubt in my mind the base so phatt
Baby let me bring it on a wiggy wack yea

Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over
Believe, it's all over
That baby it's all over now
It's all over, this time
Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over

Believe, it's all over
That baby it's all over now
It's all over, this time
Girl, it's all over
This time, it's all over
I swear, it's all over
On my name yes, it's all over
