I won't be satisfied  
I won't be satisfied

Goin' round in circles, baby  
Tryin' to think how I'm gonna get with you  
I think about you all of the time  
And you know that your blowin' my mind  
I'm goin crazy baby  
Tell me just what I'm supposed to do  
You got me goin crazy  
I dunno what to do girl  
You're rockin my world

If you held me tonight  
It would make things alright  
Could you love me, yeah  
If I held you tonight  
I would make things alright  
Could you trust me  
Cause I'm tellin' you baby

I won't be satisfied  
Until you're here with me tonight  
I won't be satisfied  
Until I hold you in my arms  
You know you mesmerize  
Cause when I look into your eyes  
I won't be satisfied  
Til you're here with me tonight

I'm not the kinda guy to fall in love  
But baby I'm fallin' for you  
I'm fallin like an angel for real  
It's the way that you makin me feel  
Walkin the streets all alone  
Thinkin' how much I'm gonna be true  
to you

If you held me tonight  
It would make things alright  
Could you love me, yeah

If I held you tonight  
I would make things alright  
Could you trust me  
Cause I'm tellin' you baby

I won't be satisfied  
Until you're here with me tonight  
I won't be satisfied  
Until I hold you in my arms  
You know you mesmerize  
When I look into your eyes  
I won't be satisfied  
Til you're here with me tonight

Oh I can't wait till tonite  
Til I hold you in my arms  
And baby tonite  
I can't wait until  
I look into your eyes

I know that your lovin's the best  
Tell me baby that it's for real  
I wanna hold you close in my arms  
You know you're everything that I need

I won't be satisfied(I won't be satisfied)  
I won't be satisfied(I won't be satisfied)  
you know you mesmerize  
(I won't be satisfied)  
I won't be satisfied  
Til you're here with me tonight  
I won't be satisfied(I won't be satisfied)  
Til you get with me tonite  
I won't be satisfied(I won't be satisfied)  
Til I hold you in my arms  
you know you mesmerize  
When I look into your eyes  
I won't be satisfied  
till you're here with me  
I won't be satisfied(I won't be satisfied)  
I won't be satisfied(I won't be satisfied)  
you know you mesmerize  
(I won't be satisfied)  
I won't be satisfied
