You say, I'm crazy but I don't have the time
You say, I'm crazy but I don't have the time

Yeah, c'mon

(I, I, I)
I have been running around all after you
(You, you, you)
You have been playing me for a fool
(My, my, my)
My situations got me all confused
(Why, why, why?)
Why should I be holding up for you?

We, could have been so easily
Aw, it's hurting me, can't you see?

You say, I'm crazy but I don't have the time
I'm insane lately cos you're always on my mind
I can't always be what you want me to be
If I'm not for you then baby set me free

Set me free, yeah
C'mon

(I, I, I)
I have been thinking of you constantly
(You, you, you)
You got me thinking of you sexually
(My, my, my)
My lonely nights
(Why, why, why?)
'Cos all I wanna do is you

We, could have been so easily
Aw, it's hurting me, can't you see?

You say, I'm crazy but I don't have the time
I'm insane lately 'cos you're always on my mind
I can't always be what you want me to be
If I'm not for you then baby, set me free

There will come a time, you will be mine
Baby, I feel it deep inside, I'm begging you, please
Get down on your knees 'cos I wanna rock you all night
long
Yeah, yeah, yeah, yeah

Yeah, c'mon

I wanna rock you all night long

You say, I'm crazy but I don't have the time
I'm insane lately 'cos you're always on my mind
I can't always be what you want me to be
If I'm not for you then baby, set me free

You say, I'm crazy but I don't have the time
I'm insane lately 'cos you're always on my mind
I can't always be what you want me to be
If I'm not for you then baby, set me free
