"Settle Down"

Can we settle down?
Build up a sacred ground,
For only us to walk on.

Don't let this pass you by,
You got me til I die.
Cause my heart goes out to you...
To... you...

Their wheels a heaven
There must be a light
They can lead you run to me
Run into my life

Can we settle down?
Build up a sacred ground,
For only us to walk on.

Don't let this pass you by,
You got me til I die.
And my heart goes out to you...
To... you...

Oooh, yeah.
Oh-oh....

The sun is warming me, but not my soul.
And that's why.. I'm.. asking.. you..

Can we settle down?
Build up a sacred ground
(Build up a sacred ground)
For only us to walk on.
Don't let this pass you by
(Don't let this pass you by)
You got me til I die
(You got me til you die)
Cause my heart goes out to you...
(heart goes out to you...)
Can we settle down?
(Can we settle down?)

Build up a sacred ground
(Build up a sacred ground)
For only us to walk on.
(Walk on... Walk on... Baby...)
Don't let this pass you by
(Don't let this pass you by)
You got me til I die
(You got me til you die)
And my heart goes out to you...
(heart goes out to you...)
To... you...
