Ladies and gentlemen
Live from Madison funky garden, Five
Let's get ready to rumble

Get on down in the gutter getting nasty
Bring that funky rhyme
Don't waste my time let's do this
There's a game that I know you will not play
No time to waste, cos times a test let's do this

You got to work that body, baby
Come on ladies, show me what you got
Ready or not 'cos here I come knocking
Bringing the beats to keep the whole block rocking

Gimme some room and let me get down
Can't hold back 'cos Five's in your town
Everybody got to grab somebody
Let's party

Don't stop baby baby
Shake it if you really want it shake it
Shake it baby, shake it now

Get on down in the gutter getting nasty
Bring that funky rhyme
Don't waste my time let's do this
There's a game that I know you will not play
No time to waste, 'cos times a test let's do this

Got me stomping freak DJ, spin that deck five girls

Sucking on some butter
In came Bo Peep naked to her feet

Humpty Dumpty sat on the wall
And da brother turned up da bass
We were freaking down to da funky sound
And everybody had food that day

You're looking so fly
We got to rip the roof off this joint
Here we go ya gots to repeat after me
Come on ladies let's break it down one time, ladies
