

## Five "Switch!"

You gotta stop listen up  
Checking out my beats  
Know that they're unique  
Got you jumping out your seats ah  
Never bring the same flow upon a track  
Better watch your back when I bring the switch attack  
now  
People when they nod  
Nod they don't nod to the funk  
Thing that I bring  
Make your head wanna ring  
Here we come you know we bring it raw  
Get up on the floor cos you gotta get some more

Friday night  
The party's just around the corner  
She'll be there so I just can't be late  
Gotta get my groove thing on  
Cos I'll be dancing all night long  
Send me to a place where I can have some fun

Chorus:  
Once I get up on the floor, see me coming back for  
more  
See me rocking all my moves, everybody's watching  
me  
Once I get up on the floor, see me coming back for  
more  
See me rocking all my moves, everybody's watching  
me (Switch!)

Da freak (x4) - Switch!  
Rock it like this (x2) - Switch!  
Five guys clap your hands, just clap your hands to this,  
Just clap your hands to the beat now - Switch!  
Uh, uh, uh, we get down, uh, uh, uh, uh - Switch!

Nine o'clock  
And finally my groove is swinging  
Beats are fine now I guess it's time to rock (guess it's  
time to rock)  
Now the party's on the way

I found out I've got to stay  
People start to gather round and round and round and  
round

(Chorus)

Switch! (x3)  
Ah yeah come on, ah yeah, ah yeah  
Ah yeah come on, ah yeah, ah yeah

Switch! (x2)  
Da freak (x2) - Switch!  
Rock it like this - Switch!  
Five guys clap your hands - Switch!  
Uh, uh, uh...  
Switch! (x4)  
Ah yeah come on, ah yeah, ah yeah - Switch!  
Ah yeah come on, ah yeah, ah yeah
