(Yeah, yeah, c'mon)

Two sides, from the heart  
Well it's alright, alright

You wanna know about me  
Well it's the way it's got to be  
There's more to me than what you see on TV screens is  
make believe  
Think you know about us  
Well it's an element of trust  
Come talk to me respectfully  
Cus these days we're public property

Oh oh oh from the heart  
Oh oh oh oh like us from the start

Chorus:  
Because there's two sides to every story  
Think you know me  
You gotta show me  
But it's alright, don't be sorry  
It's just the way I am  
Because there's two sides to every story  
Think you know me  
You gotta show me  
But I'm telling you once again  
You gotta go for who I am  
I'm telling you once again  
You gotta go for who I am

Yeah, yeah, it's alright  
I'm tellin' you  
There's two sides  
Yeah, yeah, it's alright  
It's just the way I am

Do you care about me  
Or the pictures that you see  
Are we just a face without a personality (yeah, yeah)  
Do you care about us  
Or the funk'in' that we bust

There more to us than magazines and dance routines  
and teenage dreams

Oh oh oh from the heart  
Oh oh oh like us from the start

(Chorus)

Yeah, yeah, it's alright  
I'm tellin' you  
There's two sides  
Yeah, yeah, it's alright  
It's just the way I am

Because there's two sides (two sides) to every story  
(story)  
Think you know me (know me)  
You gotta show me (show me)  
But it's alright, don't be sorry  
It's just the way I am  
Because there's two sides (two sides) to every story  
(story)  
Think you know me (know me)  
You gotta show me (show me)  
But I'm telling you once again  
You gotta go for who I am  
I'm telling you once again  
You gotta go for who I am
