Now and forever
Until the time is through

I can't believe it
Don't know where to start, no baby
So many questions
Deep inside my heart
Give me a moment before you go
There's something you ought to know

Baby now and forever
Until the time is through
I'll be standing here
Waiting and never
Give up my faith in you
Trying to make it clear
Without your love I'd be half a man
Maybe one day you'll understand
Now and forever
Until the time is through
I'll be waiting

How can I tell you so that you can see?
You know that
Life has a meaning
When you are here with me
Give me a moment before you go
There's something you ought to know

Baby now and forever
Until the time is through
I'll be standing here
Waiting and never
Give up my faith in you
Trying to make it clear
Without your love I'd be half a man
Maybe one day you'll understand
Now and forever
Until the time is through

There is no one to comfort me
Here in my cold reality

I'm searching for words
What can I say to make you see?

Baby now
Until time
Is through
I'll be here, girl
Baby now
Until time
Is through
I'll be here, girl

Baby now and forever
Until the time is through
I'll be standing here
Waiting and never
Give up my faith in you
Trying to make it clear
Without your love I'd be half a man
Maybe one day you'll understand
Now and forever
I'll be here for you
Until the time is through
