Buddy you're a boy
Make a big noise playin' in the street
Gonna be a big man some day
You got blood on your face, big disgrace
Kicking your can all over the place
(Singing)

We will, we will rock you (ha ha)
We will, we will rock you (C'mon)

Keep the beat up, why, I'm gonna turn your heat up
Gonna get you on the floor, gonna burn your feet up
Rockin' you, like I've never rocked you before
Like the way I do, got your screaming for more
We're causin' utter devastation
When we're stepping to the place
And better believe that you can see
We're gonna rock and never stop
And here we go again
Hit you with the flow again
Kick it up the second time around
We'll bring it on again - shout it out

We will, we will rock you (we're gonna rock, we're
gonna rock ya baby!)
We will, we will rock you (we're gonna rock, we gonna
rock, we gonna rock ya)
We will, we will rock you (we're gonna rock, we're
gonna rock ya baby!)

Go, go, go, go, go, go, go, go,

Ah!

Buddy you're an old man, poor man pleading with your
eyes
Gonna make you something some day
You got mud on your face, big disgrace
Somebody better put you back in your place
(Singing)

We will, we will rock you (we're gonna rock, we're

gonna rock ya baby!)
We will, we will rock you (we're gonna rock ya)
We will, we will rock you (we're gonna rock, we're
gonna rock ya baby!)
We will, we will rock you (yeah, yeah)
We will, we will rock you (yeah, yeah)
We will, we will rock you (yeah, yeah)
We will, we will rock you (yeah, yeah)
We will, we will rock you
We will, we will rock you
We will, we will rock you
We will, we will rock you
