Yeah, like that)  
(You know what I mean)  
(You're looking kinda fly tonight girl)  
(What's up)  
(Check it)

Baby when the lights go out  
I'll show you what it's all about  
(Coming at you girl, you know you like this girl)  
(Here we go) (Check it)

I ain't sorry for the way I feel  
I know you think I'm being insincere  
From the way I'm treating you  
I never wanted to be so unkind  
The only one thing on my mind  
Is just kicking it with you girl

Baby it's not the way I feel, you know you must believe  
me  
Baby it's not part of the deal (oh no no)

Baby when the lights go out  
Every single word can not express, the love and  
tenderness  
I'll show you what it's all about  
Babe I swear you will succumb to me, so baby come to  
me  
When the lights go out

(Yeah, check it) (Check it out, second verse girl)

I know you think it may be just a lie  
Ain't no use in putting up a fight  
Cos my heart is set on you  
I see the truth, it's in your eyes  
I ain't fooled by your thin disguise  
I can see I'm getting through babe

Girl don't deny the way you feel, you know you've gotta  
trust me

Give me a chance to prove I'm real (oh yeah yeah)

Baby when the lights go out  
Every single word can not express, the love and  
tenderness  
I'll show you what it's all about  
Babe I swear you will succumb to me, so baby come to  
me  
When the lights go out  
Every single word can not express, the love and  
tenderness  
I'll show you what it's all about  
Babe I swear you will succumb to me, so baby come to  
me  
When the lights go out

It's a blackout girl the lights are off  
I can feel you gettin' closer now take your clothes off  
Your body looks so soft in between the sheets I lay you  
down  
Girl I wanna knock your socks off, knock your blocks off  
girl I'm down for whatever  
There are few things that are forever  
Like you in my life girl that's all that I need to get by  
Time to break it down cos you're makin me high

(Yeah, I like that)  
(So what's up, check it)

Baby when the lights go out  
Every single word can not express, the love and  
tenderness  
I'll show you what it's all about  
Babe I swear you will succumb to me, so baby come to  
me  
When the lights go out

(Repeat until fade)
