I've been trying to ease my mind  
From this life that I have been thrown into  
I no longer know who to trust  
They keep hurting me no matter what I do  
It's a big world out there  
And sometimes it can swallow you up  
But never give up yeah

CHORUS

I've been tryin' to find a friend in this crazy world  
And the more that I try to find a friend in this crazy  
world

I'll sail the seven seas  
I would climb a mountain high  
To get you in this world of mine  
I've been dying to meet someone  
Just to share all the things other people do  
Just a laugh or a cry  
Just a simple goodbye  
I will see you soon, would do  
I promise you I won't let you down  
Come to me  
I will make you see yeah

CHORUS

To get you in this world of mine  
I've been searching for someone to care  
Someone who'll always be there

CHORUS

To get you in this world of mine  
I've been tryin' (I'm tryin') to find (I'm dying) a friend  
(I'm fighting) in this crazy world (I'm fighting for you)  
And the more that (I'm tryin') I try (I'm dying) to find  
A friend (I'm fighting) in this crazy world (I'm fighting  
for you)  
I'll sail the seven seas  
I would climb a mountain high  
To get you in this world of mine
