I've been trying to ease my mind
From this life that I have been thrown into
I no longer know who to trust
They keep hurting me no matter what I do
It's a big world out there
And sometimes it can swallow you up
But never give up yeah

CHORUS

I've been tryin' to find a friend in this crazy world
And the more that I try to find a friend in this crazy
world
I'll sail the seven seas
I would climb a mountain high

To get you in this world of mine

I've been dying to meet someone
Just to share all the things other people do
Just a laugh or a cry
Just a simple goodbye
I will see you soon, would do
I promise you I won't let you down
Come to me
I will make you see yeah

CHORUS

To get you in this world of mine

I've been searching for someone to care
Someone who'll always be there

CHORUS

To get you in this world of mine

I've been tryin' (I'm tryin') to find (I'm dying) a friend
(I'm fighting) in this crazy world (I'm fighting for you)
And the more that (I'm tryin') I try (I'm dying) to find
A friend (I'm fighting) in this crazy world (I'm fighting
for you)

I'll sail the seven seas
I would climb a mountain high

To get you in this world of mine
