Zip, zip, zip code  
Zip, zip, zip code

Chorus

Zip code, postman says it's faster  
This way I know it won't get past her  
Zip code, make it get there better  
One-double-oh-three-six on the letter

Verse 1

It happened  
In New York City  
I saw her  
On the very first row

It was love at first sight  
I told her that I'd write  
Now I'm so lonely I'm writing to her

Chorus

Verse 2

I feel it  
Love of my life  
She feel it  
By the words I write
