As long as the sun lights the day  
And as long as the moon lights the night  
I'll pray for the strength to face my enemy  
The one that chooses darkness over light

We've got to be strong, cause the fight sure is gonna  
Be long,  
The struggle for jah love-light has got to go on, yes

So run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
I wont let you take my life away  
Ain't gonna let you take my life away.

Yeah.

As long as a woman has love to share  
And a man can share his love just the same.  
I know the wicked could never penetrate my life  
He came in so but could not conquer this right here,  
No.

So run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
I won't let you take my life away, no  
I won't let you take my life away.  
No no.  
No no.

As long as the rain falls from the sky  
And as long as the winter bings the snow  
The rumours of life will always hang up in the air  
We must defeat the dark heart and let love grow

So run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart

So run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
So run away, run away, dark heart,  
I wont let you take my life away, no  
I wont let you take my life away, no.  
I wont let you take my light away.

The dark heart a-go pack up and run,  
Got the hour and the fraud and the wicked just done  
The time of the clean heart people them come  
?ascended in the quitte worker a down a sat down?  
A bet them bugger them march to the beat of drummer  
I tell you why the clean heart no to succumb.  
To the power of the dark a push out of babylon  
Them don't wanna see the massive, living as one  
All them wanna see is pure destruction

So run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
Don't try to manifest yourself amongst the clean heart  
Run away, run away, dark heart,  
I wont let you take my life away.  
I wont let you take my life away.  
I wont let you take my light away, no.  
Ain't gonna let you take my light away.
