(Hold your body) (x2)  
(Hold your body, ah)  
Don't make me wait  
(Hold your body, ah)  
Don't make me wait

With your body so close to mine  
Is there anything I need to know?  
'Cause when I feel oh, so warm inside  
Is that love that you, I need to show

Refrain 1:

I could give in, surrender, surrender  
Come on, baby, you know it's alright  
I could give in, surrender, surrender  
Come on, baby, you know it's alright

Chorus:

Baby, don't make me wait  
Don't let me stay in and out of love  
Baby, don't make me wait  
Don't let me stay in and out of love

With your heartbeat so close to mine  
I begin to feel my passion grow  
A new love is so hard to find  
So why won't you be my Romeo?

(Refrain 1)

(Chorus)

Kid Dynamite, come on, break it down  
(Hold your body) (x2)  
Give a little time, baby, and you'll be mine  
I know you'll be mine

(Chorus)

Come on, baby, come on, baby  
Come on, baby, now

Please don't make me wait  
Baby, don't make me wait  
Oh, it's not too late  
Don't let me stay in and out of love  
Just gimme a little time  
Baby, don't make me wait  
And, baby, you'll be mine

Don't let me stay in and out of love

Baby, don't make me wait  
You know, you gotta surrender, surrender  
Don't let me stay in and out of love  
Come on, baby  
Baby, don't make me wait  
Drive me crazy  
Don't let me stay in and out of love  
Yeah, yeah
