[V1:]

To the haters, the takers, the liars, all the vultures and  
the bottom feeding scum  
The FCC, the FBI and every tin god with a badge and a  
gun  
You talk and talk, you preach and bitch but your words  
don't mean a thing  
You get what you give, you give what you get  
Just the way it's always been

[Chorus:]

I choose death before dishonor  
I'd rather die than live down on my knees  
Bury me like a soldier, with my dignity!

[V2:]

You imitate the ostracized, put your head beneath the  
sand  
Your cup it runneth over, must be rough to live so  
grand  
You reap what you sew, you pay what you owe unless  
you bathe yourself in greed  
You rob and you take, your world is fake  
There's no honor amongst the thieves

[Chorus:]

I choose death before dishonor  
I'd rather die than live down on my knees  
Bury me like a soldier, with my dignity!

[Pre-Chorus:]

Fuck!  
You're self righteous, self pretentious  
Your ways are not for me  
You're deluded, so confused  
Your world is not for me

[Chorus:]

I choose death before dishonor  
I'd rather die than live down on my knees  
Bury me like a soldier...

Bury me! (Bury me!)  
Bury me! (Bury me!)  
Bury me!

With my dignity!
