Verse 1

Another day in this carnival of souls
Another nights sins end as quickly as it goes
The memories are shadows; ink on the page
And I can't seem to find my way home

Chorus

And it's almost like
Your heaven's trying everything
Your heaven's trying everything
To keep me out

Verse 2

All the places I've been and things I've seen
A million stories that made up a million shattered
dreams
The faces of people I'll never see again
And I can't seem to find my way home

Chorus

Cause it's almost like
Your heaven's trying everything
To break me down
Cause it's almost like
Your heaven's trying everything
To keep me out

[Guitar Solo]

Chorus

Cause it's almost like
Your heaven's trying everything
To break me down
Cause it's almost like
Your heaven's trying everything
Your heaven's trying everything
To break me down

To break me down

Outro

To break me down
Your heavens trying everything
Your heavens trying everything
To break me... down
