I'm so fed up with everyone around me
(No one seems to care)
I'm just so far gone and nothing's gonna change
(I'll never be the same)

It's always do this, do that,
Everything they want to
I don't want to live that way
(No)
Every chance they get they're always
Pushin me away

[Chorus:]
It's never enough
No it's never enough
No matter what I say

It's never enough
No it's never enough
I'll never be what you want me to be

It's all so messed up and no one ever listens
(Everyone's deranged)
I'm just so fucked up and I'm never gonna change
(Wanna lay it all to waste)

They're always say this, say that,
Nothing that you want to
I don't want to live that way
Every chance they get they're always
Shovin me aside

[Chorus]

I'm Done
(I'm done X6)

[Bridge:]
In the end we're all just chalklines on the concrete
Drawn only to be washed away
For the time that I've been given
I am what I am

I'd rather hate you
For everything you are
Than ever love you
For something you are not

I'd rather you hate me
For everything I am
Than have you love me
For something that I can't

It's never enough
It's never enough
No matter what I say

It's never enough
No it's never enough
No matter who I try to be

It's never enough
No it's never enough
No matter how I try to change

It's never enough
Never never enough
I'll never be what you want me to be.
