It's easy to say
We love each other
At a time like this
Will it be the same tomorrow
Or will we have regret

Will be still be on that?
Will the need be
This easy to find

(CHORUS)
After the feeling is gone
Will you want me
Will I still want you, baby
After the feeling is gone
Will things still be the same

What seems right for now
Tomorrow's sun may show
In a different light
Will there be a second
Time around in another life

Will we leave what
We've done behind
Will the need be
This easy to find

(CHORUS)

Will we leave what
We've done behind
Will the need be
This easy to find

After the feeling is gone
Will you want me
Will I still want you, baby
After the feeling is gone
Will you want me
Will I still want you, baby

After the feeling is gone
Will you want me
Will I still want you, baby...
