I bruise you
You bruise me
We both bruise so easily
Too easily to let it show
I love you, and that's all I know

And all my plans
Keep falling through
All my plans they
Depend on you
Depend on you
To help them grow
I love you
And that's all I know

When the singer's gone
Let the song go on
It's a fine line between
The darkness and the dawn

They say in the darkest night
There's a light beyond
And the ending always
Comes at last
Endings always
Come too fast
They come too fast
And they pass too slow
I love you
And that's all, it's really all I know
Its all I know

Its all I know
