Bella played the Bridge every second lonliest night of the year.

And took an set and lock into a fellow man, Bella.
She said I brought her back to some old better man, Bella.

See, bella's she was born today , feeling kinda spry.

Bella's birthday cake was burning yeah, like lightening, or like fire.

Oh, bella's birthday cake was burning.

Bella made her bed and read every lonliest night of the year.

And talkin to the Wretches of her rocking chair.

And flipped her quiet through her everywheres
