you don't know...you just don't me at all

Can you tell me what happened here?  
tell me how I should feel.  
My life seems to be in disarray.  
I feel your testing me, with all your fantasies  
And you try to keep me down,  
But I won't stay...cause you don't know me...

I've been through all this hell before,  
I've seen it all and more.  
If you think I'm gonna fade away, you don't know me.  
your think you upper hand, well that's not my plan.  
Stronger now I see that you...you just don't know me at  
all.

you tried to manipulate, well now this is your fade.  
Cause piece by piece, I'm gonna tear you down.  
Can't hold a secret now. Find out what I'm about.  
Did you think I'd let you have your way, well you  
don't know me

I've been through all this hell before,  
I've seen it all and more.  
If you think I'm gonna fade away, you don't know me  
You think you have the upper hand, well that's not my  
plan.  
Stronger now I see that you...you just don't know me at  
all.

Your soul is screaming.. who's crying now?...  
who's crying now?  
your heart is bleeding... who's sorry now!!!!!

I've been through all this hell before  
I've seen it all and more  
If you think I'm gonna fade away, then you don't know  
me.  
You think you have the upper hand, well that's not my  
plan.  
Stronger now I see you that you...you just you you.

I've been through all this hell before.  
I've seen it all and more.  
If you think I'm gonna fade away, then you just know  
me.  
You think you have the upper hand, well that's not my  
plan.  
Stronger now I see that you... you just don't know me at  
all
