Baby, there's something on my mind tonight  
There's a reason to believe we almost got it right  
There's a fire burning in the firelight  
As we roll on tonight

There's paper promises and alibis  
There is certainly uncertainty in all our eyes  
But as long as you are here, I'll be all right  
As we roll on tonight

So you go out, I'll go on  
If there's a doubt, we will be strong  
As we go on singing

One more for love, my love  
One more for love

There's always blood to fill the heart betrayed  
And there are children being born to every house that's  
raised  
And we're getting closer to where we got it made  
As we roll on tonight

So you go out, I'll go on  
If there's a doubt, we will be strong  
As we go on singing

One more for love, my love  
One more for love, singing

One more for love, my love  
One more for love

I'm never going to wait for anything  
Never going to break for anything

'Cause I am, one more for love, my love  
One more for love  
One more for love, my love

Baby there's something on my mind tonight  
There's a reason to believe that we got it right

And all, and all you're all that's on my mind tonight  
As we roll on

One more for love, my love  
One more for love
