cause a million hoes standin in the lobby
screamin Gotti I wanna party
so I'm back to the room sippin hennessy

bout to pull a studio B for sure
and if you didn't know
check the ice around her wrists
around her necks, around her fingers
we love bein these ghetto rap singers
Bitch, ha ha ha ha
only real g's ride with me

chorus

[Melchior]

chorus

[P'heno]

now these hoes say I done changed
since I got a little change
I'm still that same ole nigga
same name but just a little more fame
it went from catching the bus
into a Lexus truck
and from a Guess that was ticking
into a Rolex trust
representin to the fullest
stick to the G code
I never ride with foes
and none of you skanless hoes
I only put up with real niggas like
Mo B Dick and tooch
treal niggas ain't givin a fuck
when it's time to shoot
back in the boot
you hoes was too cute
now these bitches they wanna ride
but I put that shit on mute
ain't no ridin with me
or gettin high with me
I be that nigga they call P'heno
out that 1 2 3 Ya heard me

chorus

[Mystikal]

huh
baby baby what cha mean where I'm goin
ain't nothin but real niggas
be wantin to get mine for fifty when I come through
it's some gangsta shit chall bumpin on

all I got is a couple of gimps
what the fuck they gon do
cause after my heart and my ball and my nine
ain't shit left
cause all she got in my backup is rubbers
and numbers and dickbreath
lipstick for her lipwear
waitin for me at your fuckin house
I see you when I get there
tell you how it's been and how it's gon be
if you really wanna ride, baby you can ride me
ride the dick or put the dick in your mouth
I said ride the dick, then get your ass out
we killas and killas hustlas robbers and thieves
fuck these bitches, I'm ridin with G's

chorus until end
