Got A Package full of wishes.
A Time machine, a magic wand, a globe made out of
gold.
No instructions or commandments,
Laws of gravity or indecisions to uphold

Printed on the box I see,
A.C.M.E.'s built a world to be,
Take a chance, grab a piece,
Help me to believe it.

What kind of world do you want?
Think anything.
Let's start at the start, build a masterpiece,
Be careful what you wish for...
History starts now.

Should there be people or peoples?
Money, funny, pedestals, for fools who never pay.
Raise your army, choose you steeple.
Don't be shy, the satellites, can look the other way.

Lose the earthquakes, keep the faults.
Fill the oceans, without the salt.
Let every man own his own hand.
Can you dig it baby?

What kind of world do you want?
Think anything.
Let's start at the start, build a masterpiece,
Be careful what you wish for...
History starts now.

Sunlight's on the bridge.
Sunlight's on the way.
Tomorrow's callin,
There's more to this than love.

What kind of world do you want?
What kind of world do you want?

What kind of world do you want?

Think anything.

Let's start at the start, build a masterpiece, Yeah

History starts now, starts now.

Be careful what you wish for...

Start now, now.
