Headin' for the station with a pack on my back
I'm tired of transportation in the back of a hack
I'd love to hear the rhythm of the clicketty clack
And hear the lonesome whistle see the smoke from the
stack
And pal around with the democratic fellows named Mac
Take me right back to the track Jack

Choo choo, choo choo, ch'boogie
Woo woo, woo woo, ch'boogie
Choo choo, choo choo, ch'boogie
Take me right back to the track Jack

You reach your destination but alas and alack
You need some compensation to get back in the black
You take a morning paper from the top of the stack
And read the situations from the front to the back
The only job that's open need a man with a knack
So put it right back in the rack Jack

Choo choo, choo choo, ch'boogie
Woo woo, woo woo, ch'boogie
Choo choo, choo choo, ch'boogie
Take me right back to the track Jack

I'm gonna settle down by the railroad track
Live the life of Reilly in a beaten down shack
So when I hear the whistle I can peep through the crack
And watch the train a-rolling when it's balling the jack
For I just love the rhythm of the clicketty clack
So take me right back to the track jack

Choo choo, choo choo, ch'boogie
Woo woo, woo woo, ch'boogie
Choo choo, choo choo, ch'boogie
Take me right back to the track Jack

Take me I'm heading for the station
Take me and I need some transportation
Take me so I reach my destination
Take me right back to the track jack

Take me yeah, I'll reach my destination
Take me and I need some compensation
Take me so I read the situations
Take me right back to the track Jack
