You know I like being surrounded  
By such voluptuosity  
Such poultritude, to be mothered and smothered  
Basted in sweet sumptuousness

Let the cats all criticize  
Joke about my baby's size  
She's reet with me because you see  
I like 'em fat like that

When she bounces down the street  
She's a whole heap of honey and ain't she sweet  
Feels so fine to know that she is mine  
I like 'em fat like that

You can have all those lean chicks  
Tender and tall  
But when it comes to mean kicks  
A big fat momma's the best of all

After I get through working  
Well, I reach and grab my hat  
And I hurry home, don't want her to be alone

'Cos I like 'em fat like that

Tell me why do you like them  
More bounce to the ounce  
Say why do you like 'em?  
More room to rump

How big do you like 'em?  
Tons of fun  
How wide do you like 'em?  
Well, like that

So you like 'em like that  
Yeah, I'm a chubby chaser  
Ooh, look at her go, don't try to run  
Ooh, it must be jelly, 'cos jam don't shake like that

You can have all those lean chicks

Tender and tall  
But when it comes to mean kicks  
A big fat mamma's the best of all

After I get through working  
Well, I reach and grab my hat  
And I hurry home, don't want her to be alone  
'Cos I like 'em fat like that  
Now thin may be in, but fat is where it's at
