Big Moe, I need a fresh drink  
Nomax, you don't need a fresh drink  
Listen Nomax, you're making some serious mistakes  
here  
You oughta listen to your friend Big Moe

I'm listenin'  
And stop drinkin' so much  
I don't drink that much  
Shut up boy, you drink all day and you drink all night

And Max you know it ain't right  
Wait a minute let me explain something  
Shut up boy, look at your eyes why they're as red as  
they could be  
That okay, I've got some sunglasses

Yeah, well, it looks to Big Moe you're about to blow your  
wig  
I ain't about blow my wig  
When you gonna straighten up son? Listen  
What's the use of gettin' sober  
When you're gonna get drunk again

You know, Big Moe, Uncle Sam did something mighty  
fine  
When he brought back good whiskey, beer and wine  
Nah, I don't agree with that Nomax  
I love my whiskey, I love my gin  
Every time you see me I'm in my sin

Well, don't you think you deep enough in sin son?  
Listen  
What's the use of gettin' sober  
When you're gonna get drunk again

You know Moe, Big Moe  
Big Moe  
That's right get it right  
I went out last night about half past one  
I thought I'd whoop it up a little bit, you know, have a

little fun

Yeah, I understand  
So I got me a half a pint about half past two  
Now after I drank that you know what I wanted to do  
Sleep

Uh, uh, then I got me a pint about half past four  
I felt so good I went out and got me some more  
I got me a quart  
Oh, a quart

Yes about half past five, after I drank that  
I didn't know whether I was dead or alive  
You know Nomax, I think more dead than alive, son

When you gonna straighten up, I'll tell you one more  
time  
What's the use of gettin' sober  
When you're gonna get drunk again  
Lord have mercy on him  
I hope this boy learns soon

I been thinkin', but I keep drinkin'  
And I'm just about to lose my mind
