Ok,
Z-MC,
Bomfunk MC's
Back to back,

Back to back,
Say we love it like that,
Z-MC, B.O.Dubb on the phat track
Innovating styles,
Breaking formats,
Ahead by the miles, so whatcha say black, [We go]

Back to back,
Say we love it like that,
Z-MC, B.O.Dubb on the phat track
Innovating styles,
Breaking formats,
Ahead by the miles, so whatcha say black,

It's like
One, take two, it's life, now what you gonna do,
Old skool, new skool and the drop-outs too
One with the two,
What you gonna say,
Rollin' with two MCs and one DJ

Massive and crew in the front and the back,
Rollin' to the sounds and we love it like that
Riding to the rythm we got the flavour,
The bass is so loud, disturb your neighbour

Back to back,
Say we love it like that,
Z-MC, B.O.Dubb on the phat track
Innovating styles,
Breaking formats,
Ahead by the miles, so whatcha say black, [We go]

Back to back,
Say we love it like that,
Z-MC, B.O.Dubb on the phat track

Innovating styles,
Breaking formats,
Ahead by the miles, so whatcha say black,

The hilla roller coaster we be turning and twisting
With the styles we remixing
Cause the maximum kicking..bo!
We approach with the most
Yes very distinguished
Delicate it is and not a flick of the wrist

But I mean we cut the record,
For the ones who check this,
Feel neglected
Cool, calm and collected,
What's the afro funky record
That we rockin and rumbling
Fry like dumpling
Let me give a little something

Riding to the rythm we got the flavour,
The bass is so loud disturb your neighbour,
Rollin' for the crews, and the raver,-
