Sometimes I lose it  
I lose every bit of faith  
Just for a minute  
Till I see the light of a brand new day

Someone tried to tell me  
You know, your problems don't exist  
Well, I'm sorry to disappoint you  
But I know my antagonist

Put some sense in the sentence  
'Cause I don't understand a thing  
Come down and hear  
The reject choir sing

Cold nights, 24 hours alone  
Now will you show me the bright spot?  
Cold nights, 24 hours alone  
Now will you show me the bright spot?

Sometimes I get so tired  
And I lose that positive stance  
I give it up for a minute  
Turn hope for insignificance

Then I drag myself up  
And I'm a long, long way from home  
But I don't, no, I don't even  
No, I don't even wanna go

Put some sense in the sentence  
'Cause I don't understand a thing  
Come down and hear  
The reject choir sing

Cold nights, 24 hours alone  
Now will you show me the bright spot?  
Cold nights, 24 hours alone  
Now will you show me the bright spot?

(Bright spot)  
Bright spot, will you show me, show me?

(Bright spot)  
Bright spot, will you show me, show me?

(Bright spot)  
Bright spot, will you show me?  
Will you show, will you show me?

(Bright spot)  
Bright spot, will you show me, show me?  
(Bright spot)  
Bright spot, will you show me, show me?

(Bright spot)  
Bright spot, will you show me?  
Will you show, will you show me?  
Will you show, will you show me?

Cold nights, 24 hours alone  
Now will you show me the bright spot?  
Cold nights, 24 hours alone  
Now will you show me the bright spot?

Cold nights, 24 hours alone  
Now will you show me the bright spot?  
Cold nights, 24 hours alone  
Now will you show me the bright spot?
