You're moving straight just like a tank
In your brand new custom made role
You're the crowned king of the cheapest tricks
A welfares antipole

Suit, tie, shiny shoes and cheap tricks
A fulltime job working 8 to 6

Some say you're honest and even strong

If I didn't know better I would to
But that smile on your face doesn't drench the signs
Of a man with dreams to come true

Getting kicks in the name of street control
Cheap tricks and lies are just part of the role
