Got eight hours till the coming sunrise  
Till another day of artificial grace  
Oh, in my mind I'm chasing bad guys  
Through empty streets and dark alleyways

I'm a crimestopper, a good copper  
(Crimestopper, good copper)  
I kick the doors in  
Bad against good in my neighborhood  
Stand aside and watch it all begin

I'm a crimestopper, a good copper  
(Crimestopper, good copper)  
I kick the doors in  
Bad against good in my neighborhood  
Stand aside and watch it all begin, go

Police car howls in the distance  
The city sleeps but I'm wide awake  
Well, I don't know where the world is going  
Listen up, step on the breaks

I'm a crimestopper, a good copper  
(Crimestopper, good copper)  
I kick the doors in  
Bad against good in my neighborhood  
Stand aside and watch it all begin

I'm a crimestopper, a good copper  
(Crimestopper, good copper)  
I kick the doors in  
Bad against good in my neighborhood  
Stand aside and watch it all begin

I'm out there  
Midnight hour, I'm feeling tense  
Yeah, I'm out there  
Fighting the edge of broken scene
