Can't explain the feeling
'Cuz it comes from deep inside
But I know you can't deny the power

There's no way, no, there's no way
This feeling can be denied
Makes me wanna stay for another hour

Can't explain the feeling
But it's bigger than anything else
It's my shelter, it's where I hide at stormy weather

Put on a record
At a thousand decibel
Puts the pieces back together

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me

Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me
