These walls of lies and hatred
I watch them as they fall
I blow them down like a house of cards

Some move with lady luck
I guess, I've never heard her call
I think someone put a bullet in her heart

Heartbeat, faith and dedication
A journey through a wicked, wicked world
Heartbeat from the bottom line of a nation
Close, close to the heat, so let's fucking burn

These walls of lies and hatred
Is becoming catastrophe
Well, watch me as I cross the borderline

A cold wind's blowing break the summer heat
I see the city freeze
But there's a fire in this heart of mine

Heartbeat, faith and dedication
A journey through a wicked, wicked world
Heartbeat from the bottom line of a nation
Close, close to the heat, so let's fucking burn

Heartbeat, faith and dedication
A journey through a wicked, wicked world
Heartbeat from the bottom line of a nation
Close, close to the heat, so let's fucking burn

These walls of lies and hatred
I watch them as they fall
I blow them down like a house of cards

Some move with lady luck
I guess, I've never heard her call
I think someone put a bullet in her heart

Heartbeat, faith and dedication
A journey through a wicked, wicked world
Heartbeat from the bottom line of a nation

Close, close to the heat, so let's fucking burn
