

Bombshell Rocks "Out Of Order"

Visit "[Out Of Order](#)" on MotoLyrics.com

Distorted minds, shut, blind
It's out of order
There's nothing but silence
Not a voice can be heard

Closed down, out of line
It's a mind state border
There's nothing but silence
We're all out of words

You wanna slow down and you wanna stop
Well, I know where it begun
I saw the vicious circle
Takin' 'em off the line

You wanna slow down and you wanna stop
Well, I know where it begun
I saw the spider wave
Takin' 'em off the line

White lies, avoiding eyes
And artificial ways
Some people are like robots
Prisoners counting their days

Heavy bounds, steady downs
I know it's quite complex
You've seen the noble winners
Now come and see the wrecks

You wanna slow down and you wanna stop
Well, I know where it begun
I saw the vicious circle
Takin' 'em off the line

You wanna slow down and you wanna stop
Well, I know where it begun
I saw the spider wave
Takin' 'em off the line

You wanna slow down and you wanna stop
Well, I know where it begun

I saw the vicious circle
Takin' 'em off the line

You wanna slow down and you wanna stop
Well, I know where it begun
I saw the spider wave
Takin' 'em off the line

Distorted minds, shut, blind
It's out of order
There's nothing but silence
Not a voice can be heard

Closed down, out of line
It's a mind state border
There's nothing but silence
We're all out of words

The spiderweb reaches from top to bottom
It's out of order
Take a closer look, you'll see the spiderweb got 'em
It's out of order
