Wanna crawl like a maggot inch by inch
Or move like a swallow, up in the air on spread wings

There's something about the way
They're all moving

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

There's a thief in the city stealing minds
He'll break into your homes and make people go blind

There's something about the way
They're all moving

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

Examine the picture, it's heavily distorted
And that two way line is broken out of order

Examine the picture, it's heavily distorted
And that two way line is broken out of order

To me it looks
As if they're radio controlled
To me it looks
As if they're radio controlled

To me it looks
As if they're radio controlled
To me it looks
As if they're radio controlled

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

(To me)
To me it looks
As if they're radio controlled
(To me)
To me it looks
As if they're radio controlled

Radio controlled
Radio controlled
Radio controlled
Radio controlled
