When you think of how It may change If everyone was  
just like you Would it satisfy To see the world change  
for you You're not so strong Maybe for a while You'd  
sit back and laugh but Not for very long realising  
that Wake up and see Wake up and Realise Fucking  
categorise

Don't fantasise People from what they own Don't ever  
try To see through my eyes 'Cause you'll never  
understand

Wake up and see I can see through your eyes Wake up  
and You're the one I despise Wake up and see,  
wake up and see Wake up and see, wake up and
