These Are Not My Pants (The Rock Opera)

Aieee....I love my pantalones
They fit me oh so tight
They make me smile with delight
Do you.....like Five Iron Frenzy
Singing about their pants
It's kind of silly rings of romance
Thank you for this little listen

(Track 10 - Easy Listening)

I'll never forget when I saw you standin' there wearin'
pants
You were all alone
And I thought to myself
"Man I wish I had those pants!"
But the problem was
Those wearn't my pants
I dunno whose pants they are
But I want 'em
I only know that I want 'em
So why don't you come over here
And rock baby
Oh hold on to me tight
And keep wearin' them pants
Cause I love you....

(Track 11 - Country/Western)

These are not my pants
I don't know whose they are
They smell a lot like Bobby's
Cause he likes to fart
These are not my pants
How did they get here?
And I'm fillin' up with fear
Cause these are not my pants
Thank you, I'll be at the grand ol' opry tonite

(Track 12 - Rock Pants)

WWWWWWWWWWAAAAAAHHHHHHHHHHHHHHHHHHHH!!!!!!!

But yo don't step this way

Cause I got my pants on yeah

(Track 14 - Inspirational Interlude)

C'mon people now

This is the time to unite

A little revolution of the pants

Right now is the time

Now who hold the pants

And whose are these pants

Will we ever found the home for the pants?

C'mon now....unite a little revolution of the pants

Yes...right now.
