i see a city on a hill,
i see the only way to be filled,
mighty rushing wind around us,
Holy Spirit burn within us

Burn. burn. burn
spirit of truth,
my eyes deceive me,
teach me how to see,
within us, within us
ears cannot hear,
you have searched me, you, you know me,
my mouth is to dry to speak.
there is nothing good inside me.
purge me make me clean
my heart needs courage so burn inside of me.

teach me to be still.
Burn within our hearts oh God.
all we want is Jesus Christ.
let the tears roll from our eyes,
we want to...

Burn. burn. burn
within us, within us
my eyes deceive me,
spirit of truth,
ears cannot hear,

teach me how to see,
you have searched me, you, you know me,
there is nothing good inside me.
my mouth is to dry to speak.
my heart needs courage so burn inside of me.
purge me make me clean

this little light of mine,
im gonna let it shine
im gonna let it.
this little light of mine,
im gonna hold it up,

Burn. burn. burn
within us, within us
spirit of truth,
teach me how to see,
my eyes deceive me,
ears cannot hear,
my mouth is too dry to speak.
you have searched me, you, you know me,
there is nothing good inside me.
purge me make me clean
my heart needs courage so burn inside of me.
