Welcome to canada, its the maple leaf state  
Canada, oh Canada--its great  
The people are nice and they speak french too  
If you don't like it man, you sniff glue  
The great white north  
Their kilts are plaid  
Hosers take off  
Its not half bad

I want to be where yaks can run free  
Where royal mounties can arrest me

Let's go to Canada  
Let's leave today  
Canada, oh Canada  
I si vous plait

They've got trees and mooses and sled dogs  
Lots of lumber and lumber jacks and logs  
People think its kind of a drag  
But you have to go there to get milk in a bag  
They say "eh?" instead of "what?" or "duh!"  
That's the mighty power of canada

I want to be where lemmings run into the sea  
Where the marmosets can attack me

Let's go to Canada  
Let's leave today  
Canada, oh Canada  
I si vous plait

Let's go to Canada  
Let's leave today  
Canada, oh Canada  
I si vous plait

Please, please explain to me  
How this all has come to be  
We forgot to mention something here  
Did we say that william shatner is a native citizen

And slurpies made from venison  
That's deer

Let's go to Canada  
Let's leave today  
Canada, oh Canada  
I si vous plait

Let's go to Canada  
Let's leave today  
Canada, oh Canada  
I si vous plait
