To all the farsighted
The skys never been so clear
Hello to the hopeful
Goodbye to the full of fear
Glorious
Luminous

Chorus:
The heavens have painted
Have brushed you with angel wings
And you know in your heart that the farsighted see
better things

Hello you daydreamers
Hello to the in-between
Behold all you've wished for
Promising things unseen
Glorious
Luminous

The rockets are burning,
The dreamers are at full swing
The heavens have painted
Have brushed you with angel wings
And you know in your heart that the farsighted see
better things

Farsighted see better things, the farsighted
Farsighted see better things, the farsighted
Farsighted see better things

Hello to the burnouts
The left out and left behind
For farsighted drifters
Matchless one-of-a kind
Glorious
Luminous

The rockets are burning,
The dreamers are at full swing
The heavens have painted
Have brushed you with angel wings

And you know in your heart that the farsighted see
better things. (Yeah)

Farsighted see better things
The farsighted
Farsighted see better things
The farsighted
Farsighted see better things
