Hi, and welcome to our practice, kids.
Five Iron Frenzy, thanks a lot.

Kitty Doggy, you're the one,
You're the one I want for today.
Yeah, I need you Kitty Doggy.
Yeah, I love you.
You're my Kitty, you're my Doggy,
You're my Kitty and my Doggy.
Kitty Doggy I love you.
Kitty Doggy Kitty Doggy I love you.
You make me feel like school.
Something brand new,
Some hair that's in my shoe.
I have a hot Kitty.
