I've been cheated by you since I don't know when
So I made up my mind it must come to an end
Look at me now
Will I ever learn
I don't know how
But I suddenly loose control
There's fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything
Whoao-whoao

Mama Mia, here I go again,
My my, how can I resist you
Mama Mia, does it show again,
My my, just how much I missed you
Yes I've been broken, hearted
Blue since the day we parted
Why why, did I ever let you go
Mama Mia, Now I really know, my my I should not have
let you go.

I've been angry and sad about things that you do
I can't count all the times that I cried over
Look at me now
Will I ever learn
I don't know how
But I suddenly loose control
There's fire within my soul
Just one look and I can hear a bell ring
One more look and I forget everything
Whoao-whoao

Mama Mia, here I go again,
My my, how can I resist you
Mama Mia, does it show again,
My my, just how much I missed you
Yes I've been broken, hearted
Blue since the day we parted
Why why, did I ever let you go
Mama Mia, Now I really know, my my I should not have
let you go

Mama Mia, here I go again
My my, how can I resist you
Mama Mia, does it show again,
My my, just how much I missed you
Yes have been broken, hearted is
Blue since the day we parted
Why why, did I ever let you go
Mama Mia, Now I really know, my my I can never let you
go.
