[Intro]

Yeah (yeah)...Yeah (yeah)..

You Know (you know)...Lets (lets)...Go (go)...(laughter)

Yeah (yeah)...Yeah...WHUTS MY NAME?!

[Chorus]

They cool but they ain't R.U.L.E.

They do, but dont do it like me

Nobody, nobody, Does it Like R.U.L.E.

They do but dont do it like me

Nobody, nobody, Does it Like R.U.L.E.

[Verse 1]

Nobodys livin life the way that I live it

Nobodys spittin and doin it, I spit it

But who fuckin admitted

I'm one of the bigger biggest of niggaz that done did it

Been hated and delt wit it, when agents tap in my lyrics

So by the time that they hear it, the crime's already
committed

Natural Born Killa, but that I'm already and then

Murdah was the case, but I-N-C's been acquitted

The Agency's gettin livid, They wanted us to be
finished

But we got unfinished business, Sned God as my
witness

This is another testimony to my life and my story

Askin you hoes, Why should I talk when I got guns to
speak for me

Dont come at me homie, Especially tryin to act like you
know me

Only if you can control me, Know where you been
chosen befor me

To sit in ya grave, homie dig it, I'm hearin its lonely, But
see

Nobody...Does it...Like Me! And they know it they cant
spit it the same

But still they try, cuz thats part of the game, WHUTS MY
NAME?!

[Chorus]

[Verse 2]

These niggaz incredible, throughout the ghettos of
America
People, see these window I see through
Off they mirror they evil, jealous bullshit that men do
Had I known it was you, there'd be no clue on who done
killed you
Like when Kane murdahd Able, Niggaz must have been
able
To put caine through they nasals, They so high they
see angels
I see life from all angels, tangled, webs and weaves
Now niggaz is able to kill like Kane all over the streets
100 degrees Ferenheite, hot as the hottest summer
night
Heatin up desperatly in the need of some ice, I'm nice
Nobodys quite like, flow like rare blood types
I be wrong if I'm right, right if I'm wrong, I was the RULE
born
When my legacy is left through my boys maiden name
live on RULE
Niggaz is foolish tryin to do whut I do, Cuz see
Nobody...Does it...Like me! And they know it they cant
do it the same
But still they try, cuz thats part of the game WHUT MY
NAME?!

[Chorus]
