Making young girls pine  
I don't have the time  
Babies get in line  
I've got a protractor  
Got a stapler now  
It goes "ka-ching"  
Gotta have the math club crown me king  
Gotta rock the screen with the cosine graphing  
On my calculator  
If you're up  
And if you want  
A piece of me  
Wave goodbye  
And blow a kiss  
'Cause you can't handle this

Chorus-  
No, No, No  
You can't handle this  
No, No, No  
You can't handle this

Through my glasses glare  
You'll see savoir faire  
Beneath my icy stare  
I've got a retainer  
Maybe I'm the physics main event  
Maybe I'm the chem club president  
Maybe even Texas Instruments  
Thinks that I'm coplanar  
If you're up  
And if you want  
A piece of me  
Wave goodbye  
And blow a kiss  
'Cause you can't handle this

Chorus

Bridge-  
And Leonard Nimoy  
Can't stand up to this

And Captain James T. Kirk  
Bows beneath my fists  
And I am awesome  
Awesome  
I am the awesomest

Chorus
