CHORUS:

When a butterfly flies by my window,
And I can see which way the wind blows.
Only you and I know,
You and I, butterfly.

Got a pillow under my mind yeah.
Believe that woman to be a cold mind yeah.
Come on curl up by the fireside.

[CHORUS]

(guitar instrumental)

Good ol' Reverend Andrew came around.
Said "Boy it's good to see you back here in town.
Church on Sunday. Why don't you drop down?
The woman was lonely here when you were down.
Almost every day she'd come by to see me.
I'll say a prayer tonight that you will be yeah,
Man enough to give her security,
'Cause that's all that anybody really needs.

[CHORUS]

When a butterfly flies by my window,
And I can see which way the wind blows.
Only you and I know,
You and I, butterfly.
When a butterfly flies by my window,
And I can see which way the wind blows.
Only you and I know, know, know, know,
You and I, butterfly.

(Fantastic guitar fadeout)
