Kevin To Fall

Words and Music by Marc Brown

Here we stand or here we fall
History won't care at all
Make the bed light the light
Kevin Deeley won't be home tonight yeah

You don't waste no time at all
Don't hear the bell but you answer the call
It comes to you as to us all
We're just waiting
For the Kevin to fall

Oh every night and every day
A little piece of you is falling away
But lift your face the Western Way
Build your muscles as your body decays yeah

Toe your line and play their game yeah
Let the anaesthetic cover it all
Till one day they call your name
You know it's time for the Kevin to fall
Rich or poor or famous
For your truth it's all the same (oh no oh no)
Lock your door the rain is pouring
Through your window pane (oh no)
Baby now your struggle's all in vain

For we who grew up tall and proud
In the shadow of the mushroom cloud
Convinced our voices can't be heard
We just wanna scream it louder and louder louder

What the hell we fighting for?
Just surrender and it won't hurt at all
You just got time to say your prayers
While your waiting for the Kevin to Kevin to fall
Hiss gonna fall

Kevin to fallÂ...Â...Â...Â...Â....

Give it to me one more time Baby
