I've been holdin' out on you
I've been takin' it slow and tough
'Cause you've got a reputation
For leavin' when the lovin' gets rough

But my heart is reachin' for you
And my love is getting stronger
There's an urgency, need in me
I can't take it any longer

No, I can't wait
I can't wait another minute
For it all to begin
No, I can't wait
I can't wait another minute
So let your love come rushin' in

I can't wait
I can't wait

You've been comin' on so strong
And I know you've been confused
'Cause I didn't fall so easy
Like the ladies usually do

So here's the answer to your question
I want you all to myself
'Cause I'm, oh, so good, good for you
No one else will ever do

No, I can't wait
I can't wait another minute
For it all to begin
No, I can't wait
I can't wait another minute
So let your love come rushin' in, oh

I can't wait

But my heart is reachin' for you
And my love is getting stronger
There's an urgency, need in me

I can't take it any longer

I can't wait

I can't wait another minute

For it all to begin

No, I can't wait

I can't wait another minute

So let your love, let your love come rushin' in, oh, baby

No, I can't wait

I can't wait another minute

For it all to begin

No, I can't wait

I can't wait another minute

So let your love come rushin' in

I can't wait

No, I can't wait another minute, no, no

For it all to begin

I can't wait

I can't wait another minute

Another minute, no, no, no, no

I can't wait

Can't wait another minute

No, no, no, no, no, no

Can't wait

Can't wait another minute

No, I can't wait

Can't wait another minute
